

New Year Message 6

MORE INSPIRATIONAL THOUGHTS

Excerpts from various Psalms

Lesson Introduction: During the first 6 weeks of 2025, we have had lessons from Psalms 8, 19, 37, 51, 73, 88, 90, 91. We also had an impromptu devotional one Sunday where different ones read from Psalms 1, 23, 42, 127, 139. That covers a lot of inspirational thoughts that prepare us well for a new year. Yet, there are 150 Psalms! While we could take 2-3 years to cover the rest, we're going to conclude this series today with "more" inspirational thoughts from a few excerpts that have been picked for their value in expanding our relationship with God and walking in the ways of our Savior during 2025.
